PITFALL!

(Pitfall Harry's Jungle Adventure.™)

(Composite Screen)

Conceived and designed by David Crane.
For one fearless fortune hunter at a time.

"Let me introduce myself. I'm Pitfall Harry, veteran jungle explorer. Fortune hunting's my game, and yours, too, if you're daring enough to take this trip. Now, don't be nervous. I'll be your guide through the jungle, and I'm one of the best.

"Untold riches are waiting for us in there, but so are dangers a dozen times over. We'll be swinging on vines over bottomless tar pits. We'll be hopping across swamps using crocodile heads like stepping stones. We'll be searching underground through dark passageways crawling with killer scorpions.

"So pack up your backpack and meet me in the jungle at dawn. We'll be off to seek a king's ransom in gold, diamonds and lost treasures—in *Pitfall Harry's Jungle Adventure.*"

All Activision video game cartridges are covered by Activision's limited one-year warranty. See details enclosed.

This Activision video game cartridge may also be used with the Sears Super Video Arcade.™
